Join the growing community of forward-thinking organizations already reaping the benefits. Upgrade your waste disposal system today!

Product Specifications

30 kg

Detail

Size W1300 X D826 X H1047 (mm)

Weight 331kg

Daily processing capacity 30kg / day

Rated voltage 220V / 50-60Hz

Power consumption 3.00kW / 0.8kw/h

Recommended Restaurant

50 kg

Detail

Size W1796 X D826 X H1047 (mm)

Weight 402kg

Daily processing capacity 50kg / day

Rated voltage 220V / 50-60Hz

Power consumption 3.50kW / 1.15kw/h

Recommended Restaurant, Cafeteria

100 kg

Detail

Size W2080 X D1100 X H1252 (mm)

Weight 574kg

Daily processing capacity 100kg / day

Rated voltage 220V / 50-60Hz

Power consumption 6.00kW / 1.8kw/h

Recommended Restaurant, Cafeteria, Hospital, Public facility
